Rancho Monterey

Costa Rica's Premiere Natural Community

“The Place to Invest and Live”

- Purchase a concept; a low density, natural, equestrian based community
 - The Best 24/7 Security in the Country
 - Custom built to US and European standards of Quality
 - Amenities such as multiple pools, tennis, equestrian center, conference center, shopping center, restaurants, clinic and Beach Front Club.
 - Rental program and property management
 - The airstrip on site makes San Jose just 20 minutes away
 - Restrictive land use controls and U.S. management
 - The property includes over 400 acres of primary tropical dry rain forest teeming with every species of wildlife that exists in Costa Rica
- Excellent restaurants and entertainment and medical care a short drive away
